

LEWISTON INDEPENDENT FOUNDATION FOR EDUCATION, INC.
2010 IMPACT GRANTS SELECTED FOR FUNDING

- 1. SUMMER READERS GET CREATIVE @ FREE SUMMER LUNCH PROGRAM! IG#10-01** **\$ 400.00**
Peggy Fulton, President, Friends of Lewiston City Library
Provides children and young adults at Lewiston School District's downtown summer free lunch program with free books and literature activities as part of the Lewiston City Library summer reading program.
- 2. DOING WHAT'S BEST FOR SCIENCE KIDS IN NEED IG#10-04** **\$ 1000.00**
Russ Gee, Special Ed Teacher, Jenifer Junior High
Complements the school's science curriculum with individual and small group learning experiences based on projects in a broad spectrum of science disciplines. Projects are suited to exceptional students, thereby allowing for a commensurate differentiation of instruction in basic science skills that parallel regular classroom instruction.
- 3. NE'ER AN IDLE HAND: DIGITAL LEARNING STATIONS IG#10-11** **\$ 950.00**
Mike Renzelman, Physical Science Teacher, Jenifer Junior High
Uses inquiry and problem-based activities and lessons that energize students to experiment with scientific principles and protocols. Digital remote sensors measure a wide variety of attributes to allow practical application of physics skills in an authentic learning environment.
- 4. CLASSROOM MICROSCOPY IN THE DIGITAL AGE IG#10-09** **\$ 800.00**
Kelly Norwood, Life Science Teacher, Jenifer Junior High
Encourages long-term investigation using classroom microscopes; enhances student access to microscopic images, even in small groups; and provides for digital storage and transfer of acquired images for in-depth study and analysis away from the microscope.
- 5. ALL FIRED UP ABOUT ART! IG#10-12** **\$ 1000.00**
Holly Ferrell, Art Teacher, Sacajawea Junior High
Allows students to experience the fascinating media of ceramics and glass fusing. Students will become more creatively stimulated and excited about art when they create pieces using these three-dimensional art forms.
- 6. ADDITIONAL BOOKS FOR LEAP PADS IG#10-14** **\$ 751.92**
Christi Packwood, EES Teacher, McGhee
Allows purchase of additional leveled reading books for use with Quantum LeapPads[®]. Books focus on phonemic awareness; systematic, explicit phonics; and exposure to vocabulary and concepts useful in school. They will be used in Title 1, EES, and 1st grade classrooms to build students' reading skills.
- 7. KINDERGARTEN ENGINEERS AND ARTISTS IG#10-21** **\$ 999.50**
Cathy DeSart, Kindergarten Teacher, Orchards
Allows exploration of occupations, lifestyles, cultural differences, and basic engineering while manipulating freestyle and themed Lego[®] sets at classroom centers.
- 8. ATMOSPHERIC SNAPSHOTS – CLASSROOM WEATHER STATION IG#10-07** **\$ 295.00**
Cyrinia Lockart, Math / Earth Science Teacher, Jenifer Junior High
Provides a touch-panel interface for quick and convenient information access. Captures over 10 weather measurements from up to 300 feet away and allows sharing of data with a network of sites across the United States.

<p>9. CLASSROOM JEOPARDY IG#10-18 <i>Kathy McIntosh, 4th Grade Teacher, McSorley</i> Classroom Jeopardy game provides a fun and motivating way to check student learning.</p>	<p>\$ 1000.00</p>
<p>10. MCGHEE ELEMENTARY TECHNOLOGY STIMULUS PLAN IG#10-13 <i>Greg Kramasz, Principal, McGhee</i> Provides digital projectors and ceiling mounts for three classrooms.</p>	<p>\$ 1000.00</p>
<p>11. USING THE GUITAR TO IMPROVE LITERACY IG#10-17 <i>Bob Wicks, Music Teacher, McGhee</i> Students will learn to play guitar and will then improve reading fluency and prosody by reading poems and speech pieces aloud while playing the guitar.</p>	<p>\$ 1000.00</p>
<p>12. GEO SAFARI QUIZ BOWL IG#10-19 <i>Kathy McIntosh, 4th Grade Teacher, McSorley</i> GeoSafari® Quiz Bowl Buzzer System provides additional motivation while learning and studying world geography.</p>	<p>\$ 750.00</p>
<p>13. KITCHEN EQUIPMENT FOR FAMILY & CONSUMER SCIENCE CLASSROOM IG#10-03 <i>Molly Eldred, Family & Consumer Science Teacher, Jenifer Junior High</i> Replaces and updates kitchen equipment in the FCS classroom.</p>	<p>\$ 1000.00</p>
<p>14. BURRO CERAMIC TILE WALL MURAL IG#10-06 <i>Jennifer Hayne, Art Teacher, Jenifer Junior High</i> Creates a mascot ceramic tile mural to increase school pride and involve students in the creation of the mural.</p>	<p>\$ 1000.00</p>
<p>15. DIFFERENTIATING READING INSTRUCTION IG#10-23 <i>Janell Teichmer, Grade 3 & 4 Multiage Teacher, Webster</i> Provides a portable cart with books and CD's for the morning library reading program and for differentiated reading instruction in individual classrooms.</p>	<p>\$ 1000.00</p>
<p>16. ENGAGING STUDENTS WITH ELMO DOCUMENT CAMERA IG#10-24 <i>Andrea Wagner, Grade 1 & 2 Multiage Teacher, Webster</i> Engages and motivates students as learners and presenters as they share information on the big screen.</p>	<p>\$ 725.00</p>
<p>TOTAL:</p>	<p>\$13,671.42</p>
